When a student is placed on probation, the student's cumulative GPA will be calculated based on the student's academic performance during the semester in which the student is placed on probation. The student's cumulative GPA will be calculated based on the student's academic performance during the semester in which the student is placed on probation. The student's cumulative GPA will be calculated based on the student's academic performance during the semester in which the student is placed on probation.

If a student's cumulative GPA is below 2.0 at the end of the semester, the student will be placed on probation. If a student's cumulative GPA is below 2.0 at the end of the semester, the student will be placed on probation. If a student's cumulative GPA is below 2.0 at the end of the semester, the student will be placed on probation.

Students on probation must maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation. Students on probation must maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation. Students on probation must maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation.

C. Academic Standing

The University's academic standing regulations are designed to ensure that students maintain a minimum level of academic performance. The University's academic standing regulations are designed to ensure that students maintain a minimum level of academic performance. The University's academic standing regulations are designed to ensure that students maintain a minimum level of academic performance.

1. Good Academic Standing

Students are considered to be in good academic standing if they maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation. Students are considered to be in good academic standing if they maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation. Students are considered to be in good academic standing if they maintain a cumulative GPA of at least 2.0 during the semester in which they are on probation.

2. Academic Probation

Students are placed on academic probation if their cumulative GPA falls below 2.0 during the semester in which they are on probation. Students are placed on academic probation if their cumulative GPA falls below 2.0 during the semester in which they are on probation. Students are placed on academic probation if their cumulative GPA falls below 2.0 during the semester in which they are on probation.

3. Deferred Dismissal Policy

The University's Deferred Dismissal Policy (DDP) allows students to be dismissed from the University for a period of time.

- Students who are placed on academic probation and whose cumulative GPA falls below 2.0 during the semester in which they are on probation will be eligible for the DDP if they meet the following criteria:
 - Students who are placed on academic probation and whose cumulative GPA falls below 2.0 during the semester in which they are on probation will be eligible for the DDP if they meet the following criteria:
- Students who are placed on academic probation and whose cumulative GPA falls below 2.0 during the semester in which they are on probation will be eligible for the DDP if they meet the following criteria:
