

G. Registration

Registration is the process whereby students choose courses for an academic session and confirm this selection of courses with the Registrar's Office. The University offers courses in different periods of time or sessions:

Academic Year	September to April
Semester One	September to December
Semester Two	January to April
Intersession	April to June
Summer Session	July to August

Registration for the academic year (September to April) takes place in the spring for continuing and returning students, and from April to August for new first-year students. Confirmation of this registration must be accomplished by arranging payment of tuition fees by the appropriate deadline.

Registration Procedures for Continuing and Returning Students

Before registering, you are encouraged to check: [Registration Procedures](#).

Repeating Courses

Repeating courses is permitted; however, where the first course has a passing grade, no further credit toward the student's program is granted upon successful completion of the repeated course. The new grade does not replace the old grade on the student's transcript of marks.
