### 1. Schedule for Payments

Full-time students in the regular academic session (September–April) may make payment in one installment in September, or in two installments at the beginning of each term. At a minimum, the September payment should include 50% of the tuition fees plus the full student union fee. An administration fee (\$20.00 in 2023–2024) is charged when tuition fees are paid in two installments.
