The specific course requirements for a Major in a particular subject area are described in Section Six. Individual departments may, with senate approval, require a specific level of performance in courses applied toward a Major.

Students are expected to declare their subject Major to the Registrars Office during their second year, and must declare a Major by the beginning of their third year.

2. *Minor (optional)*

Students pursuing a Bachelor of Arts degree may elect a Minor consisting of 18 credit hours in one subject. The specific course requirements for a Minor in a particular subject area are described in Section Six. Students who wish to designate a Minor are responsible for notifying the Registrar's Office of their selection.

3. *General Curriculum Requirements*

The arts curriculum is organized on the basis of a preparatory first year of general studies, partly prescribed, followed by three years of more intensive study in areas dictated by the student's interests and capabilities.

The normal course load in the academic year for full-time students in the Bachelor of Arts program is 30 credit hours. The minimum course load for full-time students is 9 credit hours per semester. The maximum is 18 credit hours per semester, with permission of the Registrar's Office.

In order to meet the goal of a liberal education to develop a breadth of knowledge and depth of understanding, the BA curriculum is offered in different groups and levels of courses. Candidates must successfully complete the following credits from each of the designated groups.

so that seminars, tutorials, full classes, and independent and group work will be scheduled as appropriate. Students will continue with their section of the program for the entire academic year and will receive, upon successful completion, six credit hours in each of the disciplines represented by the three professors. The multidisciplinary structure of the program provides opportunities to make connections between different subject areas, methods of investigation and research, and bodies of knowledge.

The University will annually announce specific areas of study or themes, and the
